Elections are not won on Election Day - but through the work in the months leading up to it.

Are you puzzled about all the November 4th Initiatives? Confused with the TV ads? Who to believe? Mt. Hood Republican Women has invited a renowned political consultant, Mr. Greg Leo to explain all of the ballot measures at our October 8, 2014 meeting. He has been active in Oregon Politics for many years and can give an in depth explanation of each measure. I am assured he can answer all questions we can come up with.

Our club invites all candidates the opportunity to meet us and share their campaign views, everyone is welcome to attend. There is always time for questions and additional discussion on the latest political and legislative news. Please arrive early to visit before our business meeting convenes at 11:30 AM at Francis Xavier's Restaurant, located on the corner of N.E. 181st and San Rafael Street, just South of the I-84 freeway. Plenty of free parking and a full service menu is available for your food choice.

Now is the time to make your views known by helping your candidate? Check with your neighbors and friends to see if they have registered to vote. Deadline to register for the Nov. 4 General Election is October 14, 2014. Forms are always available at our meetings and at your local libraries. Contribute money and check if you can distribute campaign information, place a sign in your yard or join a call list of eligible supporters. We must work together. An active, involved and informed electorate will prove victorious in November.

Candidate Spotlight: Jodi Bailey House District 51

Jodi Bailey, Candidate for House District 51 wants to earn an opportunity to go to Salem and fight to make a difference for the next generation of children, to tackle complex problems that are plaguing our State in the areas of jobs and the economy, to quality education for our children and improving critical services that citizens in District 51 are facing.

Jodi is the membership director for the Building a Better America Council, she has worked tirelessly to help bring back American manufacturing jobs through the trade industries.

She believes that Oregon families need living wage jobs that will translate into careers so each person has the opportunity to be successful. Jodi wants to ensure that District 51 has a local defender that will fight for the local businesses and products to help remove barriers hindering job growth and creation.

Jodi and her Husband Kevin have three wonderful children, and her goal is to help ensure that each child is given the opportunity to succeed. She states that in order to do this they first have to have more educational choices available. As a mother she knows that each child is unique and as parents we should encourage our children so that they can be successful and give them the tools to make it happen. She supports more access to career technology education, increased access to vocational training.

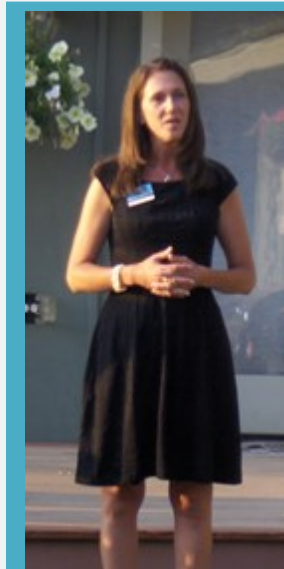

Watch her ad here discussing the opportunities that she wants to encourage for our children.

Take a deep Breath. It calms the mind

Ruth Bendl has asked all citizens to be aware of anticipated disruptions. She urges all to call Oregon's Secretary of State, Kate Brown at 503-986-1518, your county commissioners, and sheriff and police departments with these suggestions.

Reducing the number of ballot drop sites, only accessible on Monday and Tuesday of election week, locating them inside government buildings that can be closed and locked at night, Sheriff Deputies to be used for all ballot pick-ups plus additional sheriff protection during the ten days prior to election day at all county election offices.

Now is the time to write legislation proposals for our upcoming legislative session. Just think of the turmoil that could be caused by a cigarette tossed into an unsecured, drop box during the dark of night. These proposals make common sense and should be enacted by our legislators. Call your elected officials and ask "How are our ballots being protected?" "What are your plans to ensure their safety?"
