Elections are not won on Election Day - but through the work in the months leading up to it.

In a few days the Election will be over and we can figure out how best to live and work with the results. I, for one, won't miss the media advertising bombardment. Mt. Hood Republican Women are privileged to welcome Mr. John Lee, Clackamas County Republican Party Chairman, as our speaker on November 12, 2014. Besides being an able and organized Republican leader, he has also traveled the world in the last year. How are we, as Americans, treated in Israel, Russia or South Korea? With respect or disdain? It will be interesting to hear his perception of our country by others. Election turnouts and results will also be discussed. Please arrive early to visit and place your luncheon orders before our business meeting convenes at 11:30 AM. We meet at Francis Xavier's Restaurant, located on the corner of N.E. 181st and San Rafael Street, just south of the I-84 Freeway. Plenty of free parking and a full service menu is available.

There is always time for questions and additional discussion on the latest political and legislative news.

citizens of the United States...."

Dear Mt. Hood Republican Women,

Thank you so much for the books that you donated to us for the children of our clients. We have already had the opportunity to give many of the books to the children who come to the center with their mothers. We are happy that you thought of us. It's very nice to see the children so happy with their new book. Thank you again for bringing a smile to them and us.

Sincerely,
Pregnancy Resource Center Staff and
Volunteers

Thank You to the Volunteers and Candidates-A Look Back

A big THANK YOU to all those who walked door to door sharing handouts, everyone who put up a sign in their yard or on their car, the many telephone calls made to grumpy Democrats, all those who offered candidate opportunities to present their messages and hopes for a better Oregon, and to everyone who took the time to spread the message of all our good Republican citizens. We thank you! It was a gigantic effort towards a reachable goal for our country. Remember progress is made one step at a time. We must remain patient and persevere.

To the Candidates who stepped up to the plate for us to bare their life's story both good and bad and answer questions over and over again. We know the toll that these races have taken on you, the missed meals with your families, the lost nights of sleep, the holey tennis shoes, the dog bites (talking to you Senator Thomsen) the gas and miles on your car. But let you not forgot the friends you made along the route, those who drove down to march in Old Fashioned Day parades wearing tie-dyed shirts. The moments of accidently hitting volunteers with candy and signs. The photos of a County Chairman with a dancing bear!!!!

We all had our struggles, our ups and downs, the days we said enough is enough but we are Republicans and when those days come we march on because of our principles and our commitments to the Life, Liberty and Pursuit of Happiness that our nation was founded upon.

In our lives we will encounter struggles, challenges, barriers, success, failure, burdens and regrets. Although we may encounter some moments that seem insurmountable, we must not give up or give in, we have another choice. In broadening our horizons we have learned if we don't stand on or share our beliefs then what is the purpose in life. The answer lies in believing in our friends, family and ourselves. We have freedom to make our choice. So live each day to the fullest and turn your mistakes into positive learning.

It was so refreshing to hear Greg Leo's presentation of the ballot measures at our October 8 meeting and to hear him repeat "What would Nancy Reagan say?" NO!! ! He was an efficient manager of our Oregon Republican State office for many years and is a good example for all Republicans to emulate.
Thank you Greg
