*Elections are not won on Election Day - but  
through the work in the months leading up to it.*

Mt. Hood Republican Women will welcome Clackamas County Commission Chairman John Ludlow, as the main speaker on September 9, 2015. As he meets regularly with adjacent Multnomah and Washington Counties, he can present an overall view of some of the problems and solutions for our Tri-County area. Is there a quick fix for the increased traffic? Will Metro continue to push 'stack & pack' housing?

Will business growth remain stagnant?  
How is the new Marijuana Law affecting our  
Neighborhoods and law enforcement?  
He has a wealth of knowledge to share with us.

Our business meeting convenes at 11:30 AM with speaker to follow at 12:15 PM at Francis Xavier's Restaurant, 1933 N.E. 181<sup>st</sup> Ave., just South of the I-84 Freeway at 181<sup>st</sup> and N.E. San Rafael Street with plenty of free parking. Please arrive early to visit and check their full service menu of delicious food items.

With reports on the latest political and legislative news, we always have time for questions and additional discussion. Both men and women are welcome and encouraged to attend.

#### THE PARENTS WHO DRUGGED US!!!

At my 50th high school reunion a friend asked me, 'Why didn't we have a drug problem when we were growing up?'  
I replied that I had a drug problem when I was young:

I was drug to church on Sunday morning.

I was drug to church for weddings and funerals.

I was drug to family reunions and community socials no matter the weather.

I was drug by my ears when I was disrespectful to adults.

I was also drug to the woodshed when I disobeyed my parents, told a lie, brought home a bad report card, did not speak with respect, spoke ill of the teacher or the pastor, or if I didn't put forth my best effort in everything that was asked of me.

I was drug to the kitchen sink to have my mouth washed out with soap if I uttered a profanity.

I was drug out to pull weeds in mom's garden and flower Beds.

I was drug to the homes of neighbors to help mow the yard, repair the clothesline, and if my mother had ever known that I took a single dime as a tip for this kindness, my dad would have drug me back to the woodshed.

Those drugs are still in my veins and they affect my behavior in everything I do, say, or think. They are stronger than cocaine, crack, or heroin, and if today's children had this kind of drug problem, this world would be a better place.

God bless the parents who drugged us, and for those that didn't, I'm really sorry...

Thanks Jim Ewry for sharing

2016 could be an extraordinary year for Republicans, especially in Oregon. For the first time not only will we have a President to vote for but also Senator, Governor, Secretary of State, Attorney General, State Treasurer, Bureau of Labor and Industrial Commissioner, State Senators and State Representatives. We welcome vigorous debate and new ideas but we must keep our eye on the prize and not be bogged down by infighting. We implore each candidate to highlight the positives of what you can do to restore the public's trust in government and what can be done to improve the lives of our citizens.
