NOTICE MEETING TIME CHANGE!! !

Our November 11, 2015 Mt. Hood Republican Women's meeting will open at 11:30 AM with our speaker, Michelle Gilmore, from Portland's Metro Smart Program. Our Vice President, Kate Drew, is one of the participants in this program that works one-on-one with individual elementary age children to improve their comprehension and reading skills. The results are most rewarding, for both the tutor and the child. Michelle will explain the program's innovation, the schools involved, the number of children served, how the program works and how we can help. This should be very important to all of us Grandparents worried about our Grandchildren's education, or lack of it, given the current state of our public schools.

As the speaker will open at 11:30 AM, it will be imperative for attendees to arrive earlier. (11:15 AM) In order to sign the guest book, be seated and place your food orders. This should be a most informative presentation with plenty of time for questions and discussion afterward.

Our regular business meeting will convene following the speaker, and will include the election of officers, committee reports and the approval of our 2016 proposed MHRW Budget. Our Annual Christmas Auction Fund Raiser procedures will be reviewed followed by an All Member Round Table Discussion of the Republican Debates held so far. Everyone will have a chance to voice their concerns, gripes, praises, favorites and hoped for results for our 2016 Presidential Election.

All will take place at Francis Xavier's Restaurant, 1933 N.E. 181st Avenue, just South of the I-84 Freeway at 181st and N.E. San Rafael Street. Plenty of free parking and a full service menu is available for your enjoyment of good food.

Everyone is invited to attend and participate in all discussions. It is most rewarding to meet and visit with like-minded intelligent neighbors and friends.

With reports on the latest political and legislative news, we always have time for questions and additional discussion. Both men and women are welcome and encouraged to attend.

The best Local Newspaper in our area is the NORTHWEST CONNECTION.

All children, accompanying their parents while in these offices, can receive them. Our Secretary, Becky Bunting was the winner of the free lunch at Francis Xavier's. Congratulations Becky and Thank You for all your work. Good Thought - All Children should have a book of their very own!

Oregon Republican Party Platform Convention Recap

On October 22-24th, the Oregon Republican Party met in Bend to hold their Platform Convention to debate, revise and create a new platform of what Oregon Republicans believe in. Over 200 Delegates, Legislators and Oregonians from 28 counties met to have discussions and develop a new path forward for our party and State. They broke into caucuses to examine and refine the planks of the platform that ranged from immigration to family, to religious liberty, government transparency and accountability and support of our veterans, military and their families as well as healthcare, education and stewardship of our natural resources. Delegates were pleased to have the support and insight from their elected officials who help to provide valuable information on the process and how individuals could better be engaged in the process. More will be discussed at the November meeting.

On Friday night at the banquet dinner for the delegates and guests, the keynote speaker, Sharon Day Co-Chair of the Republican National Committee addressed the need of working together. She stated that our party has the values that everyday Americans want in their leaders. The ideals of being honest, promoting the best ideas no matter who they come from. She was proud that the Republican Party was the party of giving everyone an equal opportunity to succeed if they worked hard and chased their dreams.

October Meeting Recap

All those attending were in awe of Alta Lynch's herculean efforts in advocating for and assisting our Veterans in Columbia County. Her expertise and guidance through the maze of governmental paperwork was inspiring to all. She is unstoppable in her quest for community involvement and the success it has brought to this program. The establishment of "The Bunker" is evidence proof positive! Her sharing of the problems confronting our servicemen and their families is and should be broadcast throughout our State of Oregon. www.elksbunker.com or 503-410-5226

As part of our Mt. Hood Republican Women's Community Service, we have contributed \$100 to Alta Lynch's Bunker Project. Thank you again, Alta, for your presentation on October 14. The world would be a better place if we could clone more outstanding citizens like Alta (pictured above).

Please call Clarice or one of our elected officers to volunteer. We can always find a committee or position for you to share your talents. “And we wonder why our schools are failing
when this is written by a student!

Abraham Lincoln became America’s
greatest Precedent. Lincoln’s mother died in
infancy, and he was born in a log cabin which
he built with his own hands. When Lincoln
was President, he said, “in union there is
strength”. Lincoln wrote the Gettysburg
address while traveling from Washington to
Gettysburg on the back of an envelope”.

Startling Information Are you aware it takes 88,184
signatures for a Statuary Amendment and 117,578
signatures for a Constitutional Amendment, after the
initial gathering of 1000 signatures and an
understandable draft of the measure by our Attorney
General, for any measure to appear on our ballots?

Justified Power

The legitimate object of government, is to do for a community of people, whatever they need to have done, but cannot do, at all, or cannot, so well do, for themselves- in their separate, and individual capacities. In all that the people can individually do as well for themselves, government ought not to interfere.

Congressional Input on Election of Congressman Paul Ryan (Wisconsin) as the New Speaker of the House

"With the election of my colleague Paul Ryan as Speaker of the House this week, we now have a clean slate to move forward and work together to solve our spending problems, strengthen our national security, and ensure all Americans have the opportunity for a better life. Speaker Ryan is the most conservative speaker with the most conservative voting record that we have had in recent history. Through working with Speaker Ryan in the past, I am confident in his ability to reach out to Members of Congress and push through legislation that will put our country on the right track for a better future" Congresswoman Marsha Blackburn of Tennessee (excerpt from her weekly email newsletter).
