*Elections are not won on Election Day - but
through the work in the months leading up to it.*

Election Day is drawing nearer and good choices must be made. The May 11, 2016 meeting of the Mt. Hood Republican Women will welcome two candidates we should learn more about. Daniel Crowe, Candidate for Oregon Attorney General, will share his views on how Oregon can become a more law abiding state and be rid of political corruption and wasteful spending. Tamie Tlustos-Arnold, is the Candidate for Oregon Senate District # 25 now held by Laurie Monnes Anderson. She is a resident that is actively involved in our East County community. Additional Candidates are welcome to stop in and introduce themselves at our meeting. Better decisions are made when all available information is shared. We encourage all to attend and hear their messages before marking your ballots. This is a most crucial Primary Election Day that will hopefully guide our state and country on to a more Conservative and law abiding path.

Please arrive early to visit, sign-in, and peruse the full menu, prior to the business meeting convening at 11:30 AM. The speaker will follow at approximately 12:15 PM. All will take place at Francis Xavier's Restaurant, 1933 N.E. 181st Ave., conveniently located on the corner of N.E. 181st and San Rafael Street, just South of the I-84 Freeway. No reservations are required. We always have the latest political and legislative news to share with time for questions and additional discussion. Both men and women are welcome and encouraged to attend.

Our goal is to communicate, educate and continue to promote a Conservative Government. As Oregonians, we must all do our part to preserve our United States of America. Call and volunteer to put up signs, talk to your neighbors, friends, co-workers, gym-mates and all others. Higher taxes and government mandates are not the American way. We need to help rebuild our small businesses so that they may grow and prosper and create more jobs for others. Forms are always available at our meetings and at all libraries.

Always the latest political information from cities, counties, Oregon, Washington and the Nation. Remember we are all members of the Jeffersonian Society of active citizens working to support our Constitution. Long live the spirit of the late Don McIntire. \$20 Buffet available

Government that is closest to the people is the most effective, responsible and accountable? The best government is that which governs least?

DID YOU KNOW? There are 4051 Democrat delegates, and 712 of those are super delegates (or those who are unpledged/unbound to any specific candidate, and who can vote for whoever they want, no matter what their home state popular vote says.)

Those super delegates include:

1. All Democrat governors
2. All Democrat Senators
3. All Democrat congressional representatives
4. Some Democrat big city mayors and state lawmakers
5. All former Democrat presidents, vice presidents, US Senate leaders, and speakers of the House.
6. President Obama
7. All members of the DNC

The people listed above wield far more power than regular, normal people in the election process. So really, they might say every vote counts but, some votes count more than others.

On the GOP side, Republicans have 2472 delegates, 168 of which are super delegates, and those people are RNC members. They are NOT allowed to vote for whoever they want at the convention. They can only support whoever their state supports, which means that they're really not "super" at all. They're just delegates. The GOP delegates will be voting according to the will of the people, whereas the Democrat delegates will simply vote according to their own personal selfish interests?

WASP Spray isn't just for protecting your home from Bees. A friend who is a receptionist in a church in a high risk area was concerned about someone coming into the office on Monday to rob them when they were counting the collection. She asked the local police department about using pepper spray and they recommended to her that she get a can of wasp spray instead. The wasp spray, they told her, can shoot up to twenty feet away and is a lot more accurate, while with the pepper spray, they have to get close to you and could overpower you. The wasp spray temporarily blinds an attacker until they get to the hospital for an antidote. She keeps a can on her desk in the office and it doesn't attract attention from people like a can of pepper spray would. She also keeps one nearby at home for home protection.

Thanks Celestia for sharing.

Remember the Democrat party claims to be for the little guy. The one who touts its diversity and inclusion. The one who insists Voter ID Laws cause disenfranchisement. Remember Democrat votes, when you vote for your elected officials, you're giving away you own power to them.

Emergency Clause Constitution Amendment Initiative Support

There is a growing movement to help give more control on important issues back to the voters by limiting the power of the State Legislature to declare emergencies on bills. This constitutional amendment, if approved by voters would have to gain 2/3rds of support in both houses of the legislature to place an emergency clause on a bill. For more information please call (503) 603-9009 or email oregonwatchdog@gmail.com or visit <http://nofakeemergencies.com/>

Startling Information Are you aware it takes 88,184 signatures for a Statuary Amendment and 117,578 signatures for a Constitutional Amendment, after the initial gathering of 1000 signatures and an understandable draft of the measure by our Attorney General, for any measure to appear on our ballots?

A Patriotic Reminder: Have you been writing “In God We Trust” on all your envelopes? A lot of us have forgotten to do this. One of our favorite members, Jefferson County Commissioner Mae Huston, always proudly writes patriotic messages on her outgoing mail. A simple statement sharing our love of country and our pride in making it great again sends a message to all it passes through. We should all follow her example.

April Meeting Recap

The April 13, 2016 meeting was filled with information and a display of how sharing between Federal, State and County Governments can work for the betterment of all citizens. A broad view of the shared highway/road responsibilities and the escalating costs of maintaining them was eye opening. All three Candidates, Dan Laschober, Sid Leiken and Paul Savas, all business owners, explained their reasons for becoming candidates and their best solutions for our sorry economic state in Oregon. All members and guests attending actively participated in the discussions. Feedback received was positive from all participants.
