*Elections are not won on Election Day - but
through the work in the months leading up to it.*

Since its inception in Oregon 2 years ago, Oregon's Coordinator of Freedom Foundation, Ann Marie Gurney, has been fighting for the right of Oregon workers choice in belonging to a union. Their difficulty in obtaining membership information from the state of Oregon is an ongoing struggle. Ann Marie Gurney will be speaking at our Mt. Hood Republican Women's October 11, 2017 meeting. We must remember the less monies the union collect, the less they can spend on fighting our initiatives. Remember our new location is at

Elmer's in Gresham, 1590 N.E. Burnside

Road Gresham, Oregon, Telephone 503-665-5144. Located just West of 242nd (Hogan Road) and South of I-84 from the Wood Village exit. Plenty of free parking and a friendly staff to serve you.

Reservations are not required. Business meeting will be called to order at 11:30 am, with Ann Marie Gurney to follow. Please arrive early to visit, sign the guest book and place your order from Elmer's delicious full service menu. Time is always made for additional questions and discussion of the latest political news.

The Passing of Common Sense

Today we mourn the passing of a Beloved old friend, Common Sense, who has been with us for many years. No one knows for sure how old he was, since his birth records were lost long ago in bureaucratic red tape. Common Sense lived by simple, sound financial policies (don't spend more than you earn) and reliable parenting (adults, not children are in charge). Common Sense lost the will to live at the Ten Commandments became contraband, churches became businesses and criminals received better treatment than their victims. Common Sense took a beating when you couldn't defend yourself from a burglar in your own home, but the burglar could sue you for assault because you protected yourself. Common Sense was preceded in death by his parents, Truth and Trust, his wife Discretion, his daughter Responsibility and his son, Reason. He is survived by three stepbrothers: I Know My Rights, Someone Else is to Blame, and I'm A Victim. Not many attended his funeral because so few realized that he was gone. Author Unknown. Thank you Helen for sharing.

The Fight continues around the issue of forcing workers to pay Union Dues. Please read the insight editorial from the Bend Bulletin on this issue. [Editorial: State should not compel workers to pay union fees](#)

Local State Lottery Money being used to Help Veterans. The Oregon Coast Community Action (ORCA) has been notified that it will get about 10k in state lottery money to help Curry and Coos county's homeless veterans. This is a good start under the Voter approved Measure 96 that was passed last November. The National Anthem is a source of American pride. Our flag is the ultimate symbol of unity - uniting all citizens under one banner as "Americans" - and we should respect it and those who have defended and continue to defend it.

This last week I introduced a resolution in the House that reiterates current U.S. Code that during the playing of the National Anthem, persons present who are not in uniform or are not members of the Armed Forces or veterans "should face the flag and stand at attention with their right hand over their heart."
