### President's Opinion

I was thoroughly ashamed of those elected Democrats who chose to sit on their hands and glower at everyone during Our President Trump's State of the Union Address. They portrayed spoiled brats and were encouraged to do so by their 'Pitiful Pelosi Mother', aka 'Nurse Nancy'. While the world watched, all could see how bi-partisan agreements will probably never be attained. Adults communicate and work together for the betterment of all and they weren't even close. President Trump's message was one of new achievements, opportunities to come and a first step in a new positive prosperous direction for everyone. I am glad he is a Republican with nerves of steel, a firm backbone and the bravery to "tell it like it is". He makes me proud.

MHRW President Clarice Moss

"The Constitution was never meant to prevent people from praying, its' declared purpose was to protect their freedom to pray"

President Ronald Reagan

Avoid the Flu bug!! Take your vitamins, avoid crowds and stay warm. Extra prayers are sent to those still making hospital visits and continuing to recover.

### Oregon's Conservative Freedom Rally Recap

The Oregon Liberty Alliance hosted their annual Freedom Rally in Portland with at least twelve-hundred people in attendance.

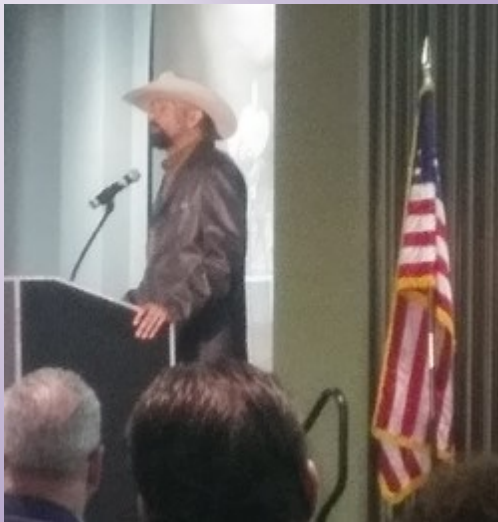

Guests and citizens were greeted by about a dozen protestors waving Russian flags, holding misspelled signs and wearing Putin masks. However inside Patriots and grassroots activists were busy singing God Bless America and standing for the National Anthem.

The attendees first heard from Joe Infranco who spoke on religious freedoms and cases that were making their way up to the Supreme Court.

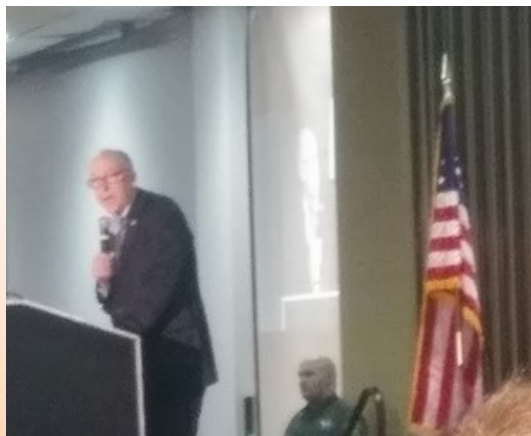

Congressman Greg Walden spoke second about the successes of Congress and with the President's agenda. He discussed how Americans are seeing results of the administration and congressional actions on their paychecks. He said there is more work to do and he and congress stand ready to continue to work for the American People. He was also presented with the Thomas Jefferson award from Jason Williams of the Taxpayers Association.

Sheriff David Clarke spoke on the importance of the Constitution and the rule of law. He was disgusted by what the other side is trying to do in dividing Americans instead of promoting Liberty for All.

Conservative Radio Host Dana Loesch spoke last and fired up the crowd with common sense solutions. She said we need more voices not fewer. She spoke on the media bias that has plagued our nation. She talked about the fight that the mid-term elections will be and said we need to be the beacons of culture for liberty and freedom. She talked about the Sweet Cakes by Melissa case and asked Sheriff Clarke if the right to cake was in the Constitution and he replied no it is not.
