4 Points of Discussion to Send Far and Wide

1. Isn't it weird that in America, our flag and our culture offend so many people, but our benefits don't
2. How can the federal government ask US citizens to pay back student loans – when illegal aliens are receiving free education
3. Only in America are legal citizens labeled "racists" and "Nazi's," but illegal aliens are called "Dreamers".
4. William F. Buckley said: "Liberals claim to want to give a hearing to other points of view, and are then shocked and offended when they discover there are other points of view."

It is with great sadness that we learned of the passing of Member Donna Medina's husband, Juan, on August 25. She was his protector and companion from their home on the mountain. Don't forget to ask businesses for your Senior Discounts. We might as well celebrate coming of a mature age, while saving money.

A Patriotic Reminder, Have you been writing "In God We Trust" on all your envelopes? A lot of us have forgotten to do this. One of our favorite members, Jefferson County Commissioner Mae Huston, always proudly writes patriotic messages on her outgoing mail. A simple statement sharing our love of country and our pride in making it great again sends a message to all it passes through. We should all follow her example.

Do you have some free time each week? Volunteer for the Smart Program. Chat with Kate Drew who has participated for many years. Call Michelle Gilmore at 971-634-1603 or mgilmore@getsmartoregon.org.

Please, remember to save your small toiletries (soaps, lotions, shampoo) from your Summer Travels for our Community Service Project with Pregnancy Resource Centers. These can be brought to any of our meetings and will be delivered to their Sandy office for distribution.

A Good Idea, Remember to give extra thanks to all those who help facilitate and ensure that our meetings run smoothly. Our Elmer's Restaurant in Gresham deserves a big Thank you for always providing items we forget, contributing to our many community service projects and serving delicious food always with a smile.

Were you aware that 16 of Oregon's Sheriff's endorsed Measure 105, to end Sanctuary Cities? We must join them in this worthwhile effort to help our state be more law abiding. Support all our Law Enforcement Officers.

We are planning on having explanations of the four November 8 Ballot Initiatives as well as the Metro Housing \$652.8 Million proposal at our October 10, 2018 meeting. Three of these are Constitutional Amendments which should be judged very seriously. Don't miss this needed information before you mark your ballots.

Please take every opportunity to shake the hand and thank all of our men in uniform – Our Military - Our Police - Our Firemen. Let them know how much we appreciate them all and the jobs they are called upon to do.

Thomas Jefferson

November Ballot Measures to be Aware of:

This November, Oregonians will have the opportunity to have a say in some crucial issues affecting our state. Please research and become informed on these issues.

Measure 102, it allows local governments to issue bonds to pay for affordable housing projects that involve nonprofits or other nongovernmental entities.

Measure 103, which would amend Oregon's Constitution to ban taxes on food and groceries.

Measure 104, which would amend Oregon's Constitution to require a three-fifths supermajority vote in the Legislature to trim tax breaks or raise fees.

Measure 105, which would repeal Oregon's sanctuary state status.

Measure 106, which would ban state funding for abortions in Oregon.

"Welfare, Food Stamps, WIC are not entitlements. They are Tax Payer funded handouts, and shouldn't be called entitlements at all. Social Security and Veteran's Benefits are Entitlements because the people receiving them are entitled to them. They were earned and paid for by the recipients. Remember to lower your speed limit when traveling on Portland Streets. We still must look out for all those pedestrians who still don't look both ways before crossing even when in a cross walk. Also beware of more bikes, and now scooters too, now that the weather is sunny. They still just go where they please. I would think the size of a car would deter them more often. Drive safe always.

Good thoughts and good health are being prayed for Kate, Sharon and Darlene, our members suffering from serious health problems. We hope time and good doctors will make them feel better soon.

Good News for a Great Grandmother! Sharon Petri was relieved and overjoyed to welcome Kain back to the mainland after enduring the Hurricane Lane while in Hawaii. He'll have some good stories to tell for sure. How was your Summer vacation? Between the smoke and the hot weather, we all survived. Don't forget to thank the many firefighters that worked so hard in our forests and also in the State of California to protect us all.

President's Message

Now is the time to step up and help your favorite candidate with Phone calls, sharing voter pamphlets and your views with neighbors, co-workers, friends and relatives. Does your yard have good street visibility? Will your neighbors or fellow club members be willing to share campaign literature? Now is the time to work hard and spread the word for all our Republican Candidates. We cannot let our President and all his hard fought accomplishments be wasted. Let's work together to continue to keep our country great. If we work hard, maybe Oregon will be a little less "blue". With Knute Buehler as Governor and the continuing hard work of Representative Greg Walden, we will have made a big step in the right direction. If everyone does something, no matter how small, we will be successful in November.

Clarice Moss, President MHRW
