*Elections are not won on Election Day - but
through the work in the months leading up to it.*

To Celebrate Veteran's Day, Mt. Hood Republican Women will welcome Steve Bates as speaker. He has been the backbone and hardest worker in East County in obtaining support for our Veterans. The dream of a Vietnam Memorial in Boring was realized and celebrated in a memorable dedication September 21, 2018. Do you know how many of Oregon's Highways have dedicated sections to our veterans? How many families have lost more than one son? Everyone is welcome to attend and hear our history and the plan for a future state Vietnam Memorial in Salem. Bring your questions and prepare for a good discussion and history lesson. Both men and women are welcome to attend and participate.

All will take place at Elmer's Restaurant, 1590 N.E. Burnside Road. 503-665-5144, in Gresham. Business meeting convenes at 11:30 am with speaker at 12:15 pm. Please arrive early to claim a seat, visit and order from the delicious full service menu. Reservations are not necessary.

Our goal is to communicate, educate and promote a more
Conservative Government!

Veteran's Day Event in Boring on Sunday November 11th

Message for Working Together

We, as Republican Women, must increase the effectiveness of women in the cause of good government, should work together for our common benefit and foster loyalty to the Republican Party and promote its principles and candidates in all elections. The Republican Party needs us, they can't do without us! Taken from remarks at OFRW Meeting in Newport, October 7, 2018 by Nancy Trahern, District V and VI Director and Former Club President of Rogue Valley Republican Women.

Fear is a reaction. Courage is a decision. A nation that forgets its past has no future, if you're not a Liberal at twenty you have no heart, if you're not a conservative at forty, you have no brain. There is nothing government can give you that it hasn't taken from you in the first place.

October Meeting Recap

Many questions were answered and doubts erased
when Emily Smith representing Kevin Chambers on
Measure 104, explained the Constitutional
Amendment to insure the 3/5 majority rule remains
preventing additional taxes and fees on to us, the
taxpayers. Miranda Bonifield from Cascade Policy,
elaborated on the many pitfalls of the Metro 6 ½
Million Bond Measure or as John Charles stated, the
\$1 Billion measure for homeless housing Remember
there is no cap on the original amount and we, as
taxpayers, will foot the bill adding \$2-400 to our
property taxes for 30 years! Much information was
shared and explored on the grocery tax, Measure 103
and our hard fought Measure 105 to Abolish
Sanctuary Status in Oregon to protect everyone.

**Please Remember to vote and get your ballot
turned into your County Elections office
before 8pm on Tuesday November 6th.**

A Special Thank You

To our candidates, thank you for stepping up to run, thank
you for being our voice, thank you for tackling the
problems head on, thank you for listening to our words,
thank you for fighting for our values and most of all thank
you for trying to make a difference so our nation, our state
and our local communities can be great again. We wish you
the best of luck on Election Day and we pray for you and
your families each and every day. Thank you.

Clarice Moss,
President of the Mt. Hood Republican Women
