July 2019 Updates

What an eventful month of June we experienced! Good weather and eleven very brave Oregon Senators doing the right thing. They used the quorum requirement to stop the cap & trade bill from devastating our state. We have been locked out of numerous decisions, amendments and testimony in Salem. Not just on this one bill, but on many of the measures that have already passed. We appreciate and thank everyone who supported this effort in actions, donations and loud voices. We must remain alert to the many devious ways of the opposing party.

We must try again. The plans for a Vietnam War Memorial on the Salem Capital Grounds did not make it through the legislative process this year. We must honor and remember our Oregon Vietnam veterans and keep pursuing this worthwhile proposal.
